I. Read the budget estimates of the Hassan District Board for the year 1913-14 as framed by the Finance Committee.

Resolution.—Resolved that the draft budget estimates as recommended by the Finance Committee be passed with the following modifications :—

(1) That the provision of Rs. 300 proposed for special repairs to the ghaut section of the Sukravarasante-Subrahmanya road, be struck out as District Funds cannot bear the extra cost considering the present high mileage allotment of Rs. 130 per mile for 12 miles besides Rs. 100 per mile for 20 miles, and that this provision of Rs. 300 be added to Rs. 200 making in all Rs. 500 under "D. 1. (*b*) removal of rank vegetation" which is urgently necessary in many Unions and other rural areas.

(2) that the provision of Rs. 300 made for a cattle pound at jodi Kittane village, Hassan Taluk, resolved by the Taluk Board to be unnecessary, be added to the provision of Rs. 200 made under "D. 1. (*b*) filling up manure and cess pits" as there are many Unions and villages in which such important sanitary work is urgently necessary, so that the provision under this head will be Rs. 500.

II. Read the Irrigation Cess Fund budget estimates of the Hassan District for the year 1913-14 based on the figures furnished by the Executive Engineer, Hassan Division.

Resolution.—Resolved that as the estimated receipts amount to only about Rs. 29,000 the provision under Irrigation Cess Fund be reduced from Rs. 33,000 to Rs. 28,950 by omitting the tank works proposed for Honnavara, Katrighatta, Bagade and Halebid and reducing the estimate for Bediganahalli tank from Rs. 3,000 to Rs. 1,500.

III. Read Government Proceedings No. 5770-2—L. B. 53-12-9, dated 4th February 1913, sanctioning the execution of the three non-budgetted works as noted below :—

B. 170-07-13, dated 16th January 1909 may continue, as it is the locally prevailing rate of fee for service by a good bull.

B. 127-12-2, dated 23rd December 1912, sanctioning the completion of all the incomplete works during the year 1912-13 from the provision made therefor in the District Fund budget and also from the provision made for new works by deferring their execution to the extent necessary.
